Riders briefing

Athletes are to arrive onsite at least 1 hour before your category begins. Please be registered in person at the viewing terrace to get their bib, badge and your rider's pack. (First event of the day you may register onsite at least 30 mins before)

FIELD OF PLAY

There are 2 FOPs. FOP A in front of viewing terrace and FOP B in red.

FOP A or FOP B, within 10-20mins of your heat, event crew will muster each heat onto the wooden bridge.

Please have your bibs, vest and equipment with you.

FOP B - a transfer boat will send you over to a starting dock. At the end of your run you will wait for transfer boat to send you back to wooden dock.

DO NOT walk over to FOP B. Only access point to FOP B is via transfer boat.

BROKEN EQUIPMENT

You have 4 mins to repair or change your equipment. Time will start at your respective FOP's starting dock.

FALLS

Total of 3 falls. Should your board "fly" away from where you fell, boat will pick up and deliver board to you.

Do not attempt to swim up the course to gain a distance/time advantage. This will be grounds for disqualification.

BUOYS

FOP A - Start/End GREY Cut off WHITE

FOB B - Start/End RED Cut off WHITE

TURN AROUND

Boat will initiate a turn away from you. This is your cue to stop surfing and fall. If you do a trick, this will count as a fall.

RE-RIDES

Re-rides will only be approved if it's our error/fault

Re-rides based on wind/chop/rollers/waves will not be approved

TLDR

- Register 1 hour before
- Report ONLY at wooden dock 30mins before with BIB VEST BOARD
- Tell judges/driver 1. NAME 2. SPEED 3. LEFT OR RIGHT WAVE 4. WAVE PROFILE
- 3 falls. Do a trick and you fall, will be a fall. We make you fall, not a fall.
